Metin Yazir

Metin Yazir, born in Istanbul, Turkey, started to dance and teach Tango in Munich, Germany, in 1993. He was mainly influenced by Roberto y Vanina and Gustavo Naveira. After teaching and performing in New York in the late 90ies he returned to Istanbul where he now is called "the King of Tango".

Metin, the "magician", dances with particular sensitivity and musicality – he makes even beginners look elegant and beautiful. Metin has an exceptional talent as teacher: he will introduce to you the secrets of lead and follow with a very precise observation of individual problems and with lots of humor, energy and temperament...
